IMPORTANT INFORMATION

- It gets cold in the Adirondacks during winter so you will need to bring lots of warm clothing. Please also bring waterproof boots for Sunday. Snow pants are smart as well!
- On Saturday, please have campers wear their bathing suit or bring it in a carry on bag, as we will be going to the water park as soon as we arrive.
- Towels will be provided at the water park.
- You will need to bring basic toiletries.
- Dinner on Saturday as well as breakfast and lunch on Sunday will be provided by camp. If your child would like to bring spending money for the Water Park or bowling alley feel free to send some but it is not necessary.
- If your camper will need to take any medication during the weekend please label it with your camper's name and dosage information to give to Laurie at the bus on Saturday morning.
- Each hotel room can hold up to six campers (two double beds and a pull-out double bed). We attempt to put campers with friends from their group, but as rooms can only accommodate six campers, sometimes we have to put campers from the same groups in multiple rooms. **WE CANNOT TAKE INDIVIDUAL ROOM REQUESTS OR INDIVIDUAL BED REQUESTS.**
