

### Sing Sister Sing

If I couldn't go to Echo Lake  
I'd tell you what I'd do  
I'd stick my head in a lion's mouth  
And tell him just to chew, chew, chew

Sing sister sing  
Yada Yada Yada  
Sing sister sing  
Yada Yada Yada  
Let your voices ring  
Let them ring, ring, ring

If I couldn't go to Echo Lake  
I'd tell you what I'd do  
I'd sit right down in the middle of the road  
And cry boo hoo, hoo, hoo, hoo, hoo, hoo

Sing sister sing  
Yada Yada Yada  
Sing sister sing  
Yada Yada Yada  
Let your voices ring  
Let them ring, ring, ring

But if I could go to Echo Lake  
I'd tell you what I'd do  
I'd walk right up to all my friends  
And say how do you do do do do

Sing sister sing  
Yada Yada Yada  
Sing sister sing  
Yada Yada Yada  
Let your voices ring  
Let them ring, ring, ring
