

Senior Village/LIT Letter Of Agreement

We are pleased that you will be with us this summer as a Senior Villager or LIT. In order to ensure that you and your friends have a safe and fun experience, we are addressing this letter to Senior Village Campers, LITs and Parents and ask that you read it together in order to clarify the guidelines of the program.

1. **POSSESSION OF ALCOHOL, TOBACCO AND DRUG SUBSTANCES OR PARAPHERNALIA:** While in camp or out of camp, possession, distribution or use of alcohol, tobacco (cigarettes, chewing tobacco, etc), drugs and/or drug paraphernalia, is prohibited and not part of our community. We have a “ZERO TOLERANCE POLICY” on this issue and visual observation need not be necessary for immediate dismissal if there is enough evidence to corroborate that these risk taking behaviors have occurred. Additionally, campers may not bring locked cases, lockboxes and/or locked containers to camp.

2. **DESTRUCTION OF PROPERTY:** Destruction of property on or off camp is strictly prohibited and may result in the dismissal of a camper. Should you damage or destroy any camp property through vandalism or willful disregard of proper use, above the normal wear and tear, the camper and the Camper’s family will become liable and will be asked to reimburse the camp for the costs of repairing or replacing any damaged property. This includes defacing cabins with graffiti (graffiti also includes signing your name) or causing damage/destruction in hotels, campgrounds and other public places.

3. **ELECTRONIC DEVICES:** Cell phones and other electronic methods of communication are not permitted in camp or off campus. Personal electronic devices that show movies and/or television are also prohibited both in and out of camp as well. Any such device found will be held by camp and returned just prior to camper departure at the end of the camp season. In the instance of a camper being in possession of such an item, the consequences will be, at a minimum, missing camp activities as determined by camp, and, at a maximum, dismissal from camp. In the instance of a camper bringing two cellphones to camp – one to turn in and one to keep – consequences can include being dismissed from camp.

Ipods with music and video playing availability are allowed at camp. **Ipods with video playing capability must have all video deleted prior to arriving at camp.** All Ipods will be checked by staff on the first day of camp and any holding any videos will be confiscated. **Ipohones, Itouches or any other items that provide the feature of internet access/WIFI are not allowed at camp.**

Kindles or other e-readers are not permitted at camp. Cameras are permitted at camp, as long as there no pictures taken inside of cabins, tents, hotel rooms or showerhouses. Any cameras used in such places will be confiscated and returned at the end of the summer.

4. **PERSONAL RELATIONSHIPS:** In regard to interpersonal relationships, on or off camp, we expect campers to refrain from inappropriate public displays of affection and/or sexual behavior. Additionally, campers are not allowed to visit the bunk, hotel room, tent or other living quarter of the opposite gender while in camp or out of camp.

We all recognize that these guidelines are for the protection and benefit of all in the community. Our signatures below indicate that we have read and accept the guidelines. We do understand that any breach of these guidelines will lead to the stated consequences or immediate dismissal.
